The Everett Elections Commission is responsible for procedures relating to the registration of voters, develop and maintain an annual list of voters, and conduct the annual census of residents of the City. They process and ensure accuracy and proper certification of all nomination papers and petitions. They also process absentee voter applications, administer election recounts and hold hearings. The Elections Commission shall have the powers, rights, privileges, liabilities and duties relating to caucuses, primaries and elections by law, except the power and duty of giving notice of elections and fixing the days and hours of holding the same.

In accordance with MGL c. 55B §7 objections shall heard and decision shall be rendered by the board of registrars of voters and the city solicitor. The objector has the burden of proving his or her case by a preponderance of the evidence. At the hearing, all parties have the opportunity to present evidence to the Commission. Each may call and cross-examine witnesses under oath (their attendance may be compelled by subpoena, if necessary), introduce documentary evidence, and present any arguments of law.
