FOR IMMEDIATE RELEASE

MAYOR ATTENDS KIWANIS ANNUAL PASTA DINNER

Mayor Carlo DeMaria and his family recently joined the Kiwanis Club of Everett for their Annual Pasta Dinner in support of scholarships and local charities.

The Kiwanis serve children both locally and globally in a variety of ways. They support service leadership programs in schools through organizations such as the Key Club and Builders Club, promoting leadership training and community service for Everett's youth.

Mayor DeMaria also had the opportunity to present the outgoing president, Sandy Juliano, with a citation commemorating her service and dedication to the Kiwanis Club of Everett. The Mayor offered his most sincere congratulations and best wishes, and expressed his hope for continued good fortune for both Juliano and the Kiwanis organization.
