FREE ESOL Citizenship Classes and Naturalization Services

The Everett Adult Learning Center is pleased to announce Free ESOL Citizenship Classes and Naturalization services. Provided through a partnership with Tri-CAP (Tri City Community Action Program) and the North Shore Assembly of God Church, this program will help Lawful Permanent Residents (LPRs) of various skills and educational levels move closer to achieving their desire for a better life for themselves and their families.

Citizenship ESOL classes are offered at various times to accommodate different work schedules, including days, evenings, and Saturdays between Tri-CAP and the North Shore Assembly of God (NSAG) Church in Malden. The United States government seeks to expand citizenship preparation programs for lawful permanent residents to ensure that those committed to the goal of U.S. citizenship receive the support they need to be successful. Increased opportunities and additional resources in communities will help such residents improve their English language skills and knowledge of U.S. history and government as they prepare for citizenship.

This program is available for lawful permanent residents (LPRs) of the United States. Courses are open-enrollment: LPRs may participate at any time. To sign up for this free course, please come by the Everett Adult Learning Center:
