PRESS RELEASE - FOR IMMEDIATE RELEASE

March 1, 2011

ECTV now offers Everett City Council Meetings and Committee Meetings for online viewing on our website [www.ectvonline.com](http://www.ectvonline.com).

Only the meetings that are recorded and aired on ECTV Channel 16 will be available online. To be clear: these are not LIVE streaming videos, but archived videos, or videos on demand, which means they will be available the day following a LIVE meeting.

To locate the videos simply go to our website [www.ectvonline.com](http://www.ectvonline.com), where there is a link on the homepage slideshow to “watch meetings.” Or on the main menu of the website, along the top, under the heading “Shows” there is also a “watch meetings” link.

There will also be a direct link from the City’s website: [www.cityofeverett.com](http://www.cityofeverett.com).

Feel free to call the ECTV office if you have any questions. I hope you find this added service beneficial.

Many thanks,  
Alyson Dell Isola  
Executive Director  
Everett Community Television and Technology Center
