Traffic Commission Agenda  
September 21, 2011  
6:00P.M. Keverian Room

#### OLD BUISNESS

1.) C0083-11 Resolution Councilor Bruno

That the Traffic Commission considers making Webster Street a one-way Going from Linden Street to Broadway, in the interest of public safety and concerned residents.

2.) Traffic Commission Item – Sponsors Alderman Millie Cardello and Councilman Kenneth Giannelli

That the Traffic Commission consider making the odd numbered side of Thorndike Street resident only parking all day every day.

#### NEW BUISNESS

1.) The Traffic Commission will consider restricting parking on Waters Ave 40 feet from the corner of Main Street on both sides. ( It is currently restricted on 1 side and trucks are frequently getting stuck causing traffic problems on Main Street. )

2.) Sponsor – Councilor Lou Sierra

The Traffic Commission will consider making Fremont Avenue, Garland Street, Mt. Washington Street and BelleView Avenue resident parking 24 hours / 7 days a week.

Fax No. (617) 394-2357

- 3.) The Traffic Commission will consider having City Services place a Stop Sign at the intersection of Lincoln Street and Harvard Street at the request of area residents for public safety.
- 4.) The Traffic Commission will consider placing 15 minute parking signs at 54-56 Morris Street at the request of the business owner at that location.
- 5.) Sponsors Councilors Adam Ragucci, DJ Napolitano and Leo McKinnon That the Traffic Commission highly consider no parking on both sides of Shute Street starting at Marie Avenue to Ferry Street due to traffic flow problems at that intersection.
- 6.) The Traffic Commission will consider a request from the business owner at 304-306 Main Street to remove the 15 minute parking signs at that location due to the fact they were installed for the previous business owner and are no longer needed.
- 7.) Sponsor: Alderman L. Charles DiPerri – That the Traffic Commission prohibits parking on the West side of Bennett Street from Ferry Street for a distance of one hundred and twenty five feet (125') in a southwesterly direction. The purpose for this restriction is to allow a free flow of traffic in both directions on Bennett Street. Presently with vehicles parking on both sides of Bennett Street, traffic up and down the hill impedes the free flow of traffic.
- 8.) The Traffic Commission will consider making the section of Morris Street from Glendale Street to Vernal Street one way. Traffic will travel from Glendale Street to Vernal Street. Traffic will be restricted from traveling from Vernal Street to Glendale Street with do not enter signs to be installed at the corner of Morris Street and Vernal Street.
