

## Order of Magnitude Cost Estimates

### City Facilities

**\$ 514,812**

#### 911 Emergency Call Center

- Communication Room door offset hinges: \$1,116
- Stair handrails: \$1,850

**Total: \$ 2,966**

#### Central Fire Station

- Exterior routes: \$8,559
- Exterior metal ramp to entrance: \$2,800
- Entrance and exit accessibility: \$6,426
- Signage (egress and designation): \$348
- Toilet room renovations: \$8,192
- Toilet room door width: \$1,116
- Miscellaneous corrective actions (service counter): \$440

**Total: \$ 27,881**

#### City Hall

- Exterior route renovations: \$2,238
- Entrance renovations: \$3,163
- Interior access route issues: \$3,010
- Door hardware and six (6) automatic door openers: \$18,696
- Stair handrails: \$14,430
- Elevator renovations: \$5,700
- Signage (egress, designation, informational): \$7,772
- Providing accessible service counters: \$6,160
- 4 accessible work surfaces: \$1,400
- Assistive listening system for Hearing Room and Council Chambers: \$2,902
- Toilet room renovations: \$19,025
- Providing drinking fountains for seated users: \$4,028

- Miscellaneous corrective actions (level change, surface, parking slope and signage, operable parts, etc.): \$1,185

**Total: \$ 89,709**

#### Connolly Center (Armory)

- Exterior route renovations: \$2,968
- Entrance accessibility and signage: \$1,778
- Emergency egress renovations: \$2,955
- Ramp renovations: \$9,933
- Stairway renovations: \$9,860
- Signage (egress, designation): \$928
- Accessible route to stage: \$2,800
- Assistive Listening Devices: \$9,865
- Toilet room renovations: \$14,727
- Drinking fountain renovations including a cane detectable barrier and a drinking fountain for seated users: \$2,459
- Miscellaneous corrective actions (protruding objects, door thresholds, counter, dinging and work surfaces, etc.): \$2,157

**Total: \$ 60,430**

#### Department of Public Works

- Renovating exterior routes: \$1,435
- Providing one van accessible space and two car accessible spaces and signage: \$1,475
- Repair to two automatic door openers: \$3,060
- Signage (egress, designation): \$464
- Service counters: \$880
- Toilet room renovations (excluding shower): \$2,118
- One accessible picnic table: \$700

**Total: \$ 10,132**

#### Ferry Street Fire Station

- Toilet room renovations: \$12,648
- Miscellaneous corrective actions (signs, threshold, etc.): \$2,199

**Total: \$ 14,847**

#### Glenwood Cemetery

- Renovating exterior accessible routes: \$3,577
- Provide one van accessible space, access aisle, and signage: \$925
- Toilet room renovations: \$1,878
- Provide accessible routes, clear space, and shoulder alignment at benches: \$1,428
- Miscellaneous corrective actions (ramp to toilet room, signage, etc.): \$461

**Total: \$ 8,269**

#### Hancock Street Fire Station

- Renovating sidewalks and curb ramps: \$2,088
- Providing a 5-ft by 5-ft concrete landing and ramp, along with an automatic door opener at the main entrance: \$1,814
- Toilet room renovations: \$12,302
- Miscellaneous corrective actions (service counter, designation signage, exterior routes): \$659

**Total: \$ 16,863**

#### Health and Wellness Center

- Pedestrian access routes and curb ramp renovation: \$3,344
- Accessible parking spaces: \$1,693
- 3 automatic door openers: \$4,590
- Signage (egress, designation, directional): \$2,725
- Toilet room renovations: \$9,927
- Miscellaneous corrective actions (service counter, stanchions, ramp repair, locker room benches, accessible locker etc.): \$2,364

**Total: \$ 24,643**

#### Memorial Stadium Field House

- Correcting curb ramps and exterior routes: \$1,872
- Entrance route renovation (including entrance platform, pressure treated wood ramp and pressure treated wood stairs): \$5,851

- Emergency exit and egress route issues (door hardware and signage): \$2,538
- Limited Use Limited Access lift: \$110,000
- Signage (egress, designation): \$696
- Stair handrails: \$6,660
- 10 audible/visible fire alarms in rooms: \$3,460
- Toilet room renovations: \$10,384
- 5 accessible lockers and 2 accessible locker room benches: \$1,850
- Miscellaneous corrective actions (protruding objects, door hardware, etc.): \$1,082

**Total: \$ 144,393**

### **Parlin Memorial Library**

- Renovations to exterior routes: \$1,338
- Relocating accessible street parking space: \$406
- Signage (directional and egress): \$867
- 6 accessible dining/work surfaces: \$2,100
- Elevator renovations (audible and visible floor cues): \$1,700
- Service counter (upper level): \$440
- Toilet room renovations: \$6,935
- Raising drinking fountain to provide knee clearance: \$1,014

**Total: \$ 14,800**

### **Police Station**

- Exterior access routes: \$599
- Door issues including door width and hardware: \$5,450
- Stair handrail: \$1,110
- Signage (egress, designation): \$696
- 3 service counters: \$1,320
- 3 accessible lav/toilets and ligature resistant grab bars for men, women and juvenile cell: \$15,015
- Toilet room renovations: \$19,220
- 1 new drinking fountain: \$2,014
- Miscellaneous corrective actions (elevator, etc.): \$297

**Total: \$ 45,721**

### **Recreation Center**

- Automatic door opener at main entrance: \$1,530
- Providing a new pressure treated wood ramp from Elm Street: \$5,914
- Providing handrails on stair from Elm Street: \$1,110
- Signage (egress, designation): \$1,276
- Relocating service window: \$440
- Toilet and shower room renovations: \$18,446
- Miscellaneous corrective actions (thresholds, door hardware, ramp handrails, etc.): \$1,409

**Total: \$ 30,125**

### **Shute Memorial Library**

- Providing working surfaces and computer stations with compliant surface height and knee and toe clearance: \$1,400
- Providing an automatic door opener at one toilet room: \$1,530
- Providing an assistive listening system in the meeting room: \$1,214
- Renovating drinking fountains: \$4,122
- Providing a compliant sink: \$2,390
- Miscellaneous corrective actions (exterior and interior routes, signage, stair handrail, protruding objects, etc.): \$2,551

**Total: \$ 13,207**

### **Elm and Ferry Streets**

- Accessible route to memorial: \$390
- Sidewalk regrading: \$331
- Repairing curb ramps and providing detectable warnings: \$5,628
- Providing clear floor space at pedestrian signal: \$92

**Total: \$ 6,441**

### **Sacramone Park**

- Renovating curb ramps: \$1,563

- Renovating doors and gates (including providing solid surfaces and maneuvering clearance): \$1,944
- Signage (directional): \$346
- Miscellaneous corrective actions (service counter, accessible space at team seating, accessible space at bleachers, etc.): \$532 and labor

**Total: \$4,385**

### **Total for City Facilities:**

**\$ 514,812**
